## Permission for publication of photos and videos.

During activities of Het Duivelsei we might make pictures or videos. On the one hand these are used to create images for our members, which can then be used in platforms like our yearbook. On the other hand we would like to be able to promote the association on student platforms and social media, in order to appeal to new members. Naturally we handle photographic material carefully. We won't post any images that might be harmful to our members. Nevertheless it is quite possible that you don't want your likeness to appear online. Therefore please check the below boxes in a way that you feel comfortable with. You can always retract permission or give permission for (additional) use at a later stage. Both can be done by mailing to [abactis@duivelsei.nl](mailto:abactis@duivelsei.nl).

Photos and videos in which I recognizably appear can be used for:

the Duivelsei yearbook

the Duivelsei website

on social media accounts of Het Duivelsei

on external platforms owned by third-parties (for example, the university website)
